

Susan Wilson

I am Susan Wilson, President. In the past seven years, I've had the opportunity to represent our members, defending them in hearings or investigations, or fighting for them in grievance meetings. I served on the 2014 and 2017 contract negotiating team and I am currently in negotiations for the 2020 contract. I have an EMBA from Ohio University and a BS in Biology from Rio Grande. I am a "Certified Manager." Prior to serving as President, I served as VP and Secretary of our union. Prior to moving from DPU to the union, I trained many of the Union Membership in the Department of Public Utilities and the City. I look forward to serving as your President in this coming term. Thank you.
